Region: | Praia da Oura

Sleeps: 12 **Bedrooms:** 6 **Bathrooms:** 6

Overview

Perched on a cliff overlooking the beautiful Praia da Oura beach on the Algarve coast, this 6-bedroom villa with heated pool enjoys a superb, prime position with spectacular sea views - and the luxury of having the beach and restaurants just a few metres away.

Changeover day
is Thursday

Description

Albufeira: Dramatically set on a hilltop above Praia da Oura, just a few metres from the beach and restaurants. Thursday arrival day.

This is one of the exclusive villas built on the clifftop, between Praia da Oura and Santa Eulalia, part of a large private estate which includes Villa Edmundo next door (also available to rent.) There is a gate in the garden for guests wishing to book both properties, otherwise they remain private, with separate entrances and independent from each other. There is direct, private access to the beach from the garden via a gate, steps and a stile. Please note that access to this beach can be difficult for those with poor mobility (nearby St Eulalia beach which is a short drive has better access). Just below the villa, there are 2 beach restaurants and the beach has sun beds and lifeguards.

The villa enjoys such a peaceful spot it is difficult to believe it is just a short walk from Santa Eulalia with its variety of restaurants and bars. The popular Areias de So Joo is also close by making this a good choice for groups which include teenagers, although many clients rarely leave this idyllic spot and choose instead to stock up at the local supermarket.

The accommodation is arranged over three sections: the main house, the courtyard on the first floor and the patio room both with external access from the entrance courtyard. There is also an independent, 2-bedroom annexe just behind the main entrance, only available on request at an additional charge.
