Description

Livorno: A villa for the seafarer, with direct access to the sea, and snorkelling, diving and fishing opportunities abound.

The villa is split over three levels, with bedrooms on the
ground and second floor. The first floor is dominated by the living area and its wide windows which bathe the internal areas with light, offering fantastic seaviews. The property is simply but elegantly designed to make the most of its ambient surrounds, with dark wood floors or Italian tiling.

The outside terrace is most impressive with opportunities to
relax in the saltwater pool area or outdoor seating, whilst either soaking up the Tuscan sun or looking out to sea. There is a garden set to lawn and shady trees, offering plenty of places to find a place to relax out of the midday sun. There are steps down to the sea.

Cecina 17km, Livorno 27km, Pimobino 64km. Nearest
village Castiglioncello 1. 5km. Pisa airport 40 minutes.
