Description

Salema: A modern villa near Sagres, with breath-taking sea views and private heatable, infinity pool, as well as some excellent restaurants, shops and beaches within walking distance.

It is not hard to see why we call this one Vista Azul (Blue View). As you relax on the edge of the pool or on the terrace, perhaps with a glass of something special, the sensational views are made up of the clear, blue sky and crystal, blue sea.

Step inside from the terrace and you find an interior which has been designed and furnished to provide the highest levels of comfort. The open-plan living and dining area has a light airy feel - the minimalist dcor really makes the most of the abundance of natural light. The luxurious and spacious bedrooms are oases of tranquillity: each of them enjoys access to an outdoor terrace, of course with those unforgettable views.

From those views, it is not only the clear blue sea and sky which ones attention is drawn to, but also the golden, sandy beaches of the Algarve coastline. Indeed, the nearest beach is just a short walk away perfect for kids! Also, a range of delightful restaurants and convenient shops are within walking distance, and further afield you will find an endless list of activities in the region: golf courses, spas, excellent walks. Also, the beautiful cities of Lagos and Faro are reachable for a day out.
