

Villa Yaroslava

Region: Mykonos

Sleeps: 8 **Bedrooms:** 4 **Bathrooms:** 4

Overview

Located in a private complex of villas in the south-east of Mykonos with charming interiors, peaceful surroundings and stunning sea views.

Description

Lia (South East): Constructed exclusively with Mykonian rock and boasting charming interiors, peaceful surroundings and stunning sea views. Not suitable for young children.

Perched on the slopes of the hill overlooking Kalafatis Bay, the villa enjoys panoramic views of the Aegean Sea and the island of Naxos. Constructed exclusively with Mykonian rock, Villa Yaroslava is perfectly integrated into the landscape and owing to its south-facing position, it is protected from the meltemi - the strong north summer wind of the Cyclades. It is, therefore, ideally located to enjoy the attractive outdoor terraces and pool area. The villa is fully air-conditioned and equipped with all modern appliances, including laundry facilities and Wi-Fi, to ensure a relaxing and comfortable stay.

Built in a part of the island that is less developed, it enjoys peaceful surroundings as well as that all-important close proximity to less-crowded beaches, while Mykonos town with its bars, shops, restaurants and vibrant nightlife is only a twenty-minute drive away.
