Overview

Located between Marbella and Fuengirola, with uninterrupted views over the Mediterranean sea and direct access to the beach, this magnificent residence offers its exclusive clientele a private oasis complete with spa, 2 pools, 2 saunas, 2 hammam, a gym, home cinema and tennis court.

Description

La Cala de Mijas: One-of-a-kind seaside residence enjoying plenty of space, superb sea views and top luxury facilities including 2 pools, saunas, jacuzzi, home cinema, gym, pool table and more.

The villa is lavishly decorated and exudes opulence throughout, offering plenty of space for social gatherings indoors and in the beautifully landscaped grounds. Unlike many other villas in the built up areas of Marbella and Puerto Banus, this property is not overlooked by its neighbours, thanks to its lush gardens. The beach stretches for two kilometres without any parking, making it one of the most unspoiled on the coast.

Every bedroom in the house enjoys marvellous sea views, natural sunlight, individual A/C and fans and private terraces and sun beds. The villa facilities include indoor and outdoor heated swimming pools, Spa, 2 Saunas, 2 Turkish baths and massage room, gymnasium, home cinema, Jacuzzi, pool table and much more.

It is possible to walk to restaurants, bars and a small supermarket (over a small footbridge over the road).
