Description

Tourlos (North West): Two independent one-bedroom studios, overlooking the Aegean sea and Tourlos, sharing a terrace with infinity pool and outdoor seating areas. Sofa bed available for children.

This unique residence is organically connected to the
Cycladic landscape, with parts of the rock integral in its stunning design. With built in beds, bathtubs and rock
formations sprawling through the walls, this is a place where Cycladic purity
meets contemporary architecture. Each of the suites is air-conditioned throughout and includes a fully equipped
kitchen, living room and ensuite double bedroom thus providing complete
autonomy and privacy. The generous
communal grounds boast uninterrupted vistas of the Aegean and are designed for
guests to come together to share moments by the lovely tear-shaped swimming
