Description

Fabro: If you are looking for an impressive country home with parkland and heatable pool in the enchanting setting of the valleys of central Tuscany look no further!

Dating back to the 17th century, this former farmhouse has been completely renovated and transformed into a charming 7-bedroom home surrounded by mature parkland, olive groves and oak trees providing shades and a pleasant scenery. The Chiana and Orcia valleys provide the idyllic background to your Tuscan holiday near the spa town of San Casciano dei Bagni, in the province of Siena. Designed to entertain large groups in a relaxing setting, the villa offers the optional service of a restaurant for exclusive use of guests, just a few meters from the villa. Here the chef will prepare delicious dishes by guiding guests in tastings of local specialties with recipes of the typical Tuscan tradition.
