Villa Dagma

Region: Split
Sleeps: 10 **Bedrooms:** 5 **Bathrooms:** 5

Overview

Just a stone's drop away from the sea and a secluded rocky beach near the town of Rogoznica lies this stunning contemporary design villa with infinity, salt-water, heatable pool and sauna - part of an exclusive set of three exclusive villas on the central Dalmatian coast.

Description

This imposing, modern seafront villa near Primosten boasts superb luxury features including an infinity, heatable, salt-water pool with jets, gym and sauna, just steps away from a rocky beach.

As well a superb seafront position this property features five deluxe en suite bedrooms, an infinity swimming pool,
sauna, game room, and al fresco dining with barbecue. The villa can host ten guests and provides a
memorable stay surrounded by luxurious and stylish amenities. Any additional service can be organized upon request and because of its position, the villa is ideal to have a boat pick you up in front and explore the beauty of the area. Rogoznica is a picturesque town in Central Dalmatia, a true Mediterranean gem ideal for a family vacation by the crystal-clear sea. It offers amazing cuisine in charming restaurants by the water combined with extraordinary Croatian wines, endless pebble beaches, and the transparent azure blue sea. The vicinity of the historical towns of Primostdn, Sibenik, Trogir, and Split as well as Krka and Kornati National Parks puts it on top of the most desirable Dalmatian holiday destinations.
