Description

A splendid, 6-bedroom villa with infinity pool, gym and direct access to the blue waters off the island of Korcula - a blissful oasis of peace and tranquillity for a unique luxury holiday in Croatia.

The stunning island of Korcula offers untouched nature, a crystal clear sea in the many secret bays along the coast, and a serene vacation opportunity, ideal for a family vacation. Contemporary designed interior and exterior allow an unobstructed view of the sea and the island of Lastovo from all rooms on the property. The entire area is spacious, with designer furniture in soft colors perfectly combined throughout the house providing a deluxe feel. This property offers six bedrooms with en suite bathrooms and balconies or terraces facing the sea, is fully air conditioned and has underfloor heating. While staying in the villa, we recommend renting a boat and visiting islands in the area; Lastovo and its Nature Park, the island of Mljet, Vis or Hvar island. For active vacation seekers, we suggest hiking and cycling paths surrounding the villa.
