Description

Quinta do Lago: This is a magnificent single-storey villa with contemporary design in a prime area of the Algarve: close to the beach, golf courses and excellent restaurants.

Built on a south-facing plot this villa is elegantly furnished in a minimalist style using local materials and neutral colours and has air conditioning throughout. The property's contemporary architecture was designed to flood the entire house with light via large windows, overlooking the garden and swimming pool, that face the sun. All 5 bedrooms in the main house are ensuite separated by glass walls and have a SONOS speaker.

Overview

Equidistant from Quinta do Lago and Vale do Lobo and just a 5 minute drive from Anco and Garro beaches, this glamorous contemporary villa with swimming pool and pool table is surrounded by olive trees, maritime pines and scented shrubs. The property has live-in caretakers.
