Description

Savelletri: A luxurious traditional Apulian villa with private pool and spa set among expansive olive groves stretching as far as the Adriatic Sea.

Typical whitewashed walls and geometrical architecture stand out among the greenery and olive groves surrounding this traditional Apulian country home, situated only one km from the Adriatic Sea with its blue-cobalt colour. Inside, the splendidly renovated interiors exude authentic rural charm revealing vaulted ceilings and exposed brickwork. Ideal for a family or couples travelling together, this home accommodates eight guests in four stylishly decorated, double bedrooms, each with its en suite facilities and, most of them, with French doors opening onto the garden. The villa's convenient location enables guests to easily reach the beach and some of the region's most beautiful towns, including Alberobello, renowned for its iconic cone-roofed houses and Ostuni, known as the 'white city' for the distinctive colour of its buildings.
