Description

Boukari (South East): Secluded villa surrounded by olive trees just a short stroll from the waterfront.

Villa Kalamata is hidden from view but affords stunning sea views. It is situated on the site of a former olive press located on a hillside below Chlomos village. In this private and peaceful location guests can enjoy the hum of crickets and the sound of the waves lapping at the shore, which is just a short stroll away.

The interiors are comfortable and cool and decorated in neutral tones with stone floors and wooden elements adding rustic charm. The interiors flow seamlessly to the attractive outdoor lounge and dining terraces and a little further into the grove is the inviting swimming pool with sunloungers and parasols.
