

Chateau du Parc - La Chapelle

Region: Languedoc | Pezenas

Sleeps: 4 **Bedrooms:** 2 **Bathrooms:** 2

Description

Enjoy the unique and unusual experience of sleeping in an old chapel dating from 1900, where many weddings and baptisms have been celebrated. The high ceilings and original stained glass windows have been preserved. Spacious volumes for a natural, contemporary ambience. Outside, the large balcony allows you to take a wellness break in the heart of nature, with a breathtaking view over the estate's park and vineyards.

You'll also enjoy privileged access to the courtyard and the spa, so you can live to the rhythm of the cicadas and birdsong.

The chateau has a very convenient arrangement with a restaurant in Pézenas whereby, if you don't fancy preparing a meal, you can pre-order and your lunch/dinner will be delivered to your door. Breakfasts can also be ordered.

Overview

A stunning adaptation of an authentic 16th century chateau into separate self-catering apartments with spa. Each ecolodge apartment is finished to luxury hotel standard. Large heatable shared pool. The vibe here is understated luxury with eco-friendly overtones. EV charging points, insect 'hotels' and extensive walks in the 70 hectares of grounds attached to the chateau. And all this situated very close to Pézenas, the medieval jewel of Hérault, with a great selection of artisan boutiques and possibly the best market in the region. 15 individually designed apartments for 2 to 8 guests, for up to 56 guests in total. See ref PEZ149 for more information. La Chapelle has been created from the old chapel dating back some 150 years, complete with stained glass window! Suitable for weddings, events and seminars.
