Set above the village of Pentati,close to the beaches of Agios Gordios,on Corfus west coast, this villa is a stylish 3-bedroom retreat with panoramic sea views and modern Italian design.

Description

Pentati (West): Contemporary villa with Italian design, sea views and elegant indoor and outdoor living areas, offering a peaceful hillside retreat above the village of Pentati in West Corfu.

Pentati is a quiet village where daily life remains simple, with a few local tavernas offering good food and views of the sea. The area is ideal for walking, swimming and exploring nearby coastal spots such as Agios Gordios.

Set on a hillside surrounded by olive groves and overlooking the sea the property includes three double bedrooms, each with its own ensuite bathroom and spacious living areas. Outside, there is an infinity pool with sun loungers, a shaded lounge and dining area, a stone-built BBQ and a table tennis table and table football. The villa also provides Starlink Wi-Fi, smart TVs and modern appliances throughout creating a comfortable and peaceful setting.
